

TechMart Electronics — Warranty Information

Standard Warranty

All TechMart devices include a 1-year limited warranty covering manufacturing defects and hardware malfunctions under normal use.

TechMart Care (Extended Warranty)

For \$29, customers can extend their warranty to 2 years total, which also covers one instance of accidental damage with a \$49 service fee.

What's Not Covered

Warranty does not cover damage from misuse, unauthorized repairs, water damage (unless under TechMart Care), or cosmetic wear.

Filing a Warranty Claim

Claims can be filed at techmart.com/warranty or by calling support. Most claims are resolved within 5-10 business days, including repair or replacement shipping.
